Project Name: _____

Project Address: _____

Estimated Completion Date: _____

A deposit of $1,812.80 is due prior to picking up a hydrant meter from the Water Department Shop at 909 E 400 S, Springville. Please call Springville Water Dept 801-489-2740 to confirm a meter is available and to arrange a time to pick it up. Proof of receipt is required.

The deposit, minus a $200 monthly rental fee after the first month and the water used at the current rate per thousand gallons, will be refunded to you in the form of a city check within 5-10 business days following the return of the meter, or credited back to the credit card. **If the hydrant meter is not returned or returned in non-working condition, the deposit will not be refunded.**
